Vision Statement

As educators, we provide essential programs and services that enhance students’ academic capacity, personal development, and citizenship.

Values Statement

Our priorities are driven by:

- The engagement, persistence, and success of our students while at the University as well as beyond graduation;
- The growth of our students’ self awareness, commitment to others, well-being, and congruences between action and values; and
- Our students’ contribution to an inclusive, collaborative, and just community.

Objectives

- Employ a personal approach in support of student success both in and out of the classroom.
- Offer quality programs and services that enhance the academic mission of the University.
- Educate students on social issues that they may encounter during the college years.
- Provide resources for the health and safety of our students.
- Encourage initiatives that develop and foster meaningful student relationships with peers, faculty and staff.
- Respect the importance of inclusive diversity in the implementation of all Student Development services and initiatives.
- Provide support for University sponsored student organizations.
- Promote innovation while respecting tradition.
